

AS141

Label & Adhesive Remover Trigger Spray

Paper labels can prove very stubborn to remove and can also leave a sticky residue when peeled away.

This trigger spray penetrates paper labels and adhesive quickly.

A fast, effective and simple label removal spray when used neat, leaving a clean finish by ensuring no sticky residue is left behind.

Safe to use indoors. Low odour, low hazard giving a moderate risk characterisation rating (RcR) and a fair environmental impact control (EIC).

SPECIFICATION	
Code	AS141
Unit	750 ml
Case Quantity	6

Revised: 10.11.2021
