CITRIGEL

FR113
LEMON FLOOR GEL

Citrigel is an ideal damp mopping solution for all floor surfaces leaving a fresh clean lemon odour. Perfect for spray cleaning, removing dirt and heel marks with ease. Economical maintenance for polished floors.

USES

Citrigel is used for the regular cleaning and maintenance of linoleum, P.V.C., rubber, sealed cork, sealed wood and thermoplastic floors.

Economical maintenance for polished floors, will not remove or dull polish at the recommended dilution. Burnishes readily to a shine.

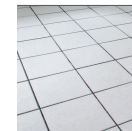

Ideal for use in all washrooms in public places including schools, sports facilities, gym equipment, hotels, restaurants etc.

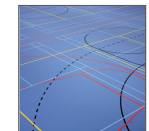

Sealed Wood

Vinyl

Tiles

Sports Floor

Polished Floor

Linoleum

DIRECTIONS

For general mopping dilute Citrigel 1 part to 100 parts hot water. Mop, allow to dry and burnish if required to improve shine.

For spray burnishing dilute 1 part to 50 parts water. Spray lightly ahead of machine fitted with appropriate nylon pad and immediately burnish to a shine.

For maximum floor life, we would recommend applying metallised emulsion floor polish prior to regular maintenance with Citrigel.
