Why Buy NBV190NX

CleanCare

Equipped with our new NX300 36V Battery Technology and 350W digital brushless motor, the NBV190NX is engineered to deliver our most powerful cordless cleaning yet.

Delivering up to 80 minutes of cordless freedom and a 40% increase in airflow and suction from a compact, convenient and versatile design, the NBV190NX is perfect for day cleaning and safe operation in public areas, maximising productivity with powerful and professional cleaning results.

- **Cordless Freedom**
  Market-leading 80 minutes of consistent and powerful cleaning performance.
- **Powerful Cleaning**
  40% increase in airflow and suction with new, high-performance 350W digital brushless motor.
- **NX300 Network**
  Bringing the convenience and performance of professional cordless cleaning across our growing battery range.
- **Safer Cleaning**
  With no cable, minimise the risk of slips, trips and falls. Ideal for day cleaning and public areas with high footfall.
- **Stay Cleaning for Longer**
  Off-board NX Quick Charge Station recharges to 80% in just 1 hour for unstoppable cordless cleaning.
- **A Tool for Every Job**
  Professional and versatile AA29E accessory kit and Aluminium tube set.
